

Call the office to ask about having a 30 minute Hayride around Lakewood.

Did you know about Lakewood's Adopt-A-Building program? There are projects large and small for individuals, families, and groups. Adoptions can be made for whole buildings, rooms, or even a garden or activity. Volunteering at Lakewood is fun and rewarding. Your investment in Lakewood benefits the many Christian groups who minister to personal and Spiritual needs in this unique setting. Please ask for a brochure to find out how you can help in a very practical way in this ministry.
